1077 - From Civil Unrest to Damage Reassessment: The Minneapolis Story

05 LEADING AND MANAGING THE ASSESSMENT OFFICE

Description:

Following the death of George Floyd in May 2020 was a response of civil unrest that resulted in damage to nearly 1,000 properties in Minneapolis. This session will review the steps the assessor's office took to execute and complete the statutorily required damage reassessment.

Start Date: 8/30/2021 4:15:00 PM

End Date: 8/30/2021 5:15:00 PM

Learning Outcomes:

The session will focus on three learning outcomes:

- Adaptability, flexibility, agility, and resilience - pivoting to meet the challenges
- Building both enterprise and cross-jurisdictional partnerships and effective communication/public relations
- Application of a commonly used statute to a very uncommon, unprecedented situation - when you have to apply what you know in a way never imagined

Presenters:

Rebecca Malmquist CAE, SAMA - Minneapolis, MN
