1080 - Conscious Objectivity: Beyond Unconscious Bias

05 LEADING AND MANAGING THE ASSESSMENT OFFICE

Description:

The Diversity & Inclusion Task Force and the Women's Initiative Network invite you to learn how to recognize, explore, embrace and overcome unconscious bias. Presenters will discuss what unconscious bias is, how it impacts us personally and organizationally, and how to combat it with conscious objectivity.

Start Date: 8/31/2021 9:30:00 AM

End Date: 8/31/2021 10:30:00 AM

Learning Outcomes:

Solutions: Learn what unconscious bias is and why it is so important to recognize within ourselves and others. Learn how unconscious bias affects our organizations and decision making processes, and how to weaken its negative impact through the use of conscious objectivity.

Presenters:

Opal Hudson CFE, CSM, CPM - Hillsborough County., FL

Rebecca Malmquist CAE, SAMA - Minneapolis, MN
